### Branch #7 Britannia Helps Produce Replica of Historic War Banner

#### The Story of the Great War Banner

Victoria High School is the oldest high school west of Winnipeg, opening August 1876. During the First World War (then called the Great War), over 650,000 Canadians and Newfoundlanders served, among whom were several alumni of Victoria High School. Following the war, a memorial service was held on the grounds of the school, remembering those who served and gave their lives.

Pictured above: The original Great War Banner.

A large banner, made of heavy wool and measuring 11 x 30 feet, was unveiled at the front of the school in 1920. The banner was covered in hand-sewn maple leaves, symbolizing teachers, students, nurses, and other members of the community who served in the First World War, totalling 466. The red maple leaves—three at the top, and 53 at the centre—represent the teachers and students who gave their lives. "Each leaf tells a story of courage, service, and sacrifice, inspiring us to remember and honour our past," wrote Irene Harrison, Branch Recording Secretary. "The 53 red leaves are in the shape of an elongated shield, similar to the Plaque of Honour on the Memorial tablet in the school's main hall, where the names of the fallen are listed."

For several years, the banner was displayed annually, honouring those who served and fell. The banner was then moved to storage until its rediscovery in 2004. Unfortunately, when it was found during building renovations, the banner had become deteriorated and could no longer be displayed.

#### The Story of the New Banner

Last year, the Britannia Legion made a donation of \$2,500 to Victoria High School, covering the cost of replacing the Great War Banner with a new replica. Later that same year, the Britannia Legion made an additional donation to cover the cost of equipment necessary for displaying the banner once again. Overall, the Britannia Legion contributed \$3,750 to the project.

In early November, the completed replication, this time made of flag material, was displayed in the school auditorium just in time for the annual Remembrance Day Service. To learn more about the Great War

## Branch #71 Windermere District - Invermere Launches New Courtesy Van Service

The Windermere District - Invermere Legion is pleased to announce the launch of a new transportation service for Veterans and community members: the Legion Courtesy Van.

Formerly known throughout Invermere as Katie's Van, this fully wheelchair-accessible vehicle has been refurbished and prepared for service through the dedicated efforts of Legion volunteers.

Extensive repairs and safety updates have been completed to ensure the van is reliable, comfortable, and secure for all passengers.

The Legion Courtesy Van will be offered **free of charge** to **Veterans and community members** who require accessible transportation. The service is designed to support Veterans in attending hospital visits, medical appointments, and recreational outings—an essential initiative that has been long anticipated within the region. While the service is free, the Legion Courtesy Van gratefully accepts donations, which will help cover ongoing maintenance costs and eventually support the replacement of the vehicle, ensuring the program's sustainability.

This initiative reflects the Legion's continued commitment to honouring and supporting Canada's Veterans by removing barriers to essential services and enhancing community connection. For more information, or to inquire about use of the Legion Courtesy Van, please contact Windermere District - Invermere Legion by calling 250-342-9517.

## Branch #91 Prince Edward - Langford Veterans Share Stories with Students

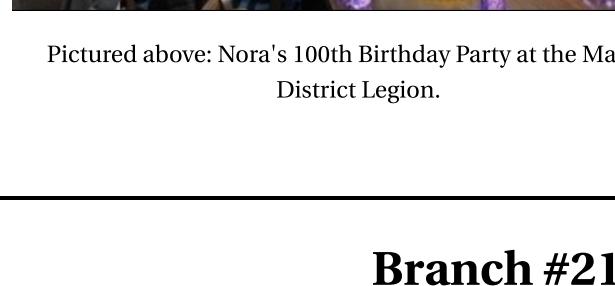

In late October, ten Veterans of the Prince Edward - Langford Legion visited Grade 8 students at Ecole John Stubbs School. They sat with the students, sharing stories of their service and discussing the importance of Remembrance. The students were able to speak with each Veteran in small groups, gaining a broad spectrum of knowledge. Students asked questions, some sharing poetry they wrote for this year's Youth Remembrance Contests. This was Ecole John Stubbs' third consecutive year hosting this event.

The week prior, Veterans from the Branch also met with local Sports Academy student athletes, Grades 8-12. At Veterans Memorial Park in Langford, these Veterans spoke on Remembrance and the park's tributes to Canadian Armed Forces from WW1, WW2, and the Korean War.

Both events provided meaningful experiences for both students and Veterans. "Branch #91 is grateful for the administrators, teachers, and support staff of these schools who champion Remembrance and the significance of CAF service and sacrifice, past and present," writes Norm Scott, Branch President. "Of course, we thank our Veterans for assisting with the mission to ensure our youth learn about and gain understanding of the importance of Remembrance. Lest We Forget."

## Branch #134 Malahat District Celebrates 100th Birthday of Life Member

Nora Smart, Life Member of the Malahat District Legion, celebrated her 100th birthday last December. To mark this remarkable milestone, the Branch hosted a surprise party for Nora during the final Meat Draw of the year. That day, Nora arrived to find a reserved table decorated with three large "100" balloons, along with a professionally-designed sign highlighting key events from the year she was born.

In advance of the celebration, the Branch arranged for official congratulatory messages to mark Nora's centenary, in keeping with federal and provincial programs that recognize Canadians reaching milestone birthdays.

Nora was invited to sit at the front of the hall as these birthday greetings were read aloud by Bob Cleroux, Vice President. Nora received letters of congratulations from Mark Carney, Prime Minister of Canada; Mary Simon, 30th Governor General of Canada; and King Charles III.

Pictured above: Nora Smart with her proud son, Darryl.

Jeff Kibble, MP for Cowichan-Malahat Langford and himself a Veteran, attended the celebration. He shared a personal story of Poppy tagging with Nora at the local Country Grocer, recalling how Nora completed her full two-hour shift with an impressive pace and cheerful heart. At the party, Jeff Kibble presented Nora with a signed message of congratulations from Pierre Poilievre, Member of the House of Commons of Canada.

Nora's dedication to the Legion spans over five decades. She first joined the Esquimalt Branch in 1974 and transferred to Malahat District Branch in 1988. Over the years, Nora has demonstrated an enduring commitment to service through her weekly volunteer work in the kitchen, where she prepares and serves meals for seniors, and through her ongoing donations of food and other resources to the Branch. "Her generosity and steady presence have made her a cherished part of the Malahat Legion family," writes Jeff Lydiatt, Executive Member. "We wish Nora continued good health and happiness, and sincerely hope she will be with us, inspiring members and guests alike, for many years to come."

## Branch #210 Lake Cowichan Installs Memorial Sidewalk for Veterans

In the heart of Lake Cowichan, a simple idea grew into a powerful tribute. The small town on Vancouver Island came together to honour the brave men and women who have served our country with the Veterans Memorial Sidewalk: a beautifully-painted crosswalk and lasting tribute to their courage and sacrifice.

"The response from the community has been incredible," said Sam Jones, Lake Cowichan Branch President. "Every act of support, every word of encouragement, showed how deeply people care about honouring our Veterans."

The Lake Cowichan Legion is profoundly grateful to the Town of Lake Cowichan, especially the Town Hall, and to every member of the community who embraced the project so wholeheartedly.
