b. Electronic Voting:

Assistance will be available on site to ensure all delegates are able to vote successfully. Upon checking in at the welcome desk at the RBC Convention Centre you will be directed to the Impact AV booth to perform a pre-voting check-up to ensure you are fully equipped for the electronic voting.

c. Electronic Pre-Convention Book (Committee Reports and Resolutions Book):

Similar to our 2024 Dominion Convention the Pre-Convention Book will only be available in an electronic format to lessen our environmental footprint while reducing overall costs. All resolutions will be shown on the Convention screens at time of voting, but we encourage you to use your electronic devices to follow along on our 2026 Dominion Convention App. This Book will also be available in a downloadable, printable format allowing you the option to print the Book in advance and bring to Convention. The Book will be available online in July 2026.

DELEGATES

Branches: To determine your Branch representation:

- Every Branch shall be entitled to send to Convention two delegates for the initial 100 Voting members or fraction thereof and one delegate for each subsequent 100 members or fraction thereof, which includes ordinary, associate and affiliate-members (*Subsection 903.a*).
- Branch representation is based on the number of paid-up voting members at the end of the preceding calendar year (*Subsection 903.b*). However, every delegate to a Dominion Convention must be paid up to the end of the current year (*Section 905*). Delegates, therefore, must be members in good standing and paid up to 31 December 2026.
- Branches formed on or after 1 January 2025 are entitled to send one delegate to the Convention; the delegate must have their dues paid up to 31 December 2026 (*Subsection 903.c*).

It is vital to the successful organization of the Convention that Branches pay particular attention to the above constitutional requirements.

Dominion Executive Council: Voting members of the Dominion Executive Council who are not accredited Branch delegates shall be accredited delegates to the Convention (*Subsection 907.a*), however, they may only carry proxies if they are an accredited Branch delegate as defined in Section 911 of The General By-Laws.

Past Dominion Presidents: All Past Dominion Presidents who are not accredited Branch delegates shall be accredited delegates to Convention (*Subsection 907.b*), however, they may only carry proxies if they are an accredited Branch delegate as defined in Section 911 of The General By-Laws.

DELEGATE ACCREDITATION: CREDENTIAL CERTIFICATE

To become an accredited delegate, Branches are to complete the Credential Certificate and **forward to your Provincial Command office. DEADLINE IS 29 MAY 2026.** Copies may be obtained from your command office or found at: Legion.ca/2026Convention Legion.ca/Congres2026

It is important that the Credential Certificate be completed properly. The Convention Credentials Committee must ensure that individuals registering as delegates are properly accredited; if incorrect or incomplete information is received, the member's accreditation could be jeopardized.

Important: It is extremely important that only delegates accredited by their Branch be permitted to take an active part in deciding matters of policy at a Dominion Convention. The Convention Credentials Committee does not wish to turn away any properly accredited delegate; neither does the Committee wish to permit unauthorized votes.

VOTING AND PROXIES

Only accredited delegates may vote at Convention (*Section 914*). Each delegate will have one vote; when an election ballot vote is required, however, proxies may be used.

- Any delegate, accredited by the Branch of which they are a member, may carry, in addition to their own credentials, up to four proxy credentials. These proxies may be from any Branch or Branches within his own Provincial Command (*Section 911*).
- Proxies must be registered in advance of the opening of the Convention and may only be used when an election ballot vote is required.
- Every proxy, to be valid, shall include a Credential Certificate naming the delegate entitled to register such proxy (*Section 913*).

A Branch that wishes to be represented by proxy must complete a Credential Certificate in order that the delegate designated as the holder of the proxy can make use of the vote(s) at their disposal. Strict attention to this requirement will prevent delay and possible disappointment when credentials are being examined by the Convention Credentials Committee.

Important: In order for a delegate to carry proxies, the person must be an accredited delegate of their own Branch.

REGISTRATION PROCESS

Delegates and observers will register and pay in advance online. Upon arrival at the Convention and verification of the registration, delegates and observers will be provided with a delegate kit; they will then be directed to their respective Provincial Command desk where they will be issued a nametag and voting card as applicable. All delegates MUST check-in at the Dominion Welcome Booth upon arrival.

REGISTRATION FEES

The fees payable upon registering online are:

- Delegate: \$120
- Observer: \$80

Please note that the delegate registration fee includes the 100th Anniversary Banquet. Spouses/guests of registered delegates who wish to attend the banquet will be provided with the option to register for a fee of \$80 at the same time of the online delegate registration payment. The observer fee does NOT include the 100th Anniversary Banquet.

RESOLUTIONS

Resolutions to be dealt with at convention:

- Shall be submitted from a Branch through the respective Provincial Command (*Subsection 919.a*).

- May be submitted by a Branch or Branches, Command or Standing Committee of Dominion Command (*Subsection 919.b*).
- Must be received at Dominion Command at least 112 days prior to the opening of the Convention (*Subsection 919.c*).

Important: Deadline for receipt of resolutions at Dominion Command is 2 May 2026.

Late resolutions: Resolutions received after 2 May 2026 will be considered as Late Resolutions. Late resolutions will be referred to the Dominion Executive Council meeting prior to the Dominion Convention. Only those resolutions considered urgent will be presented to the Convention for consideration; resolutions deemed not to be urgent will be returned to the respective Provincial Command following the Dominion Convention.

Important: Branches are to ensure that all resolutions are submitted prior to the deadline established by their respective Provincial Command. Allowance must be made for the length of time mail takes in transit.

CANDIDATES FOR OFFICE

The nomination process for the offices of Dominion President, Dominion First Vice President, Dominion Vice President (x3), Dominion Treasurer, and Dominion Chair shall be conducted prior to Convention.
