February 10, 2026

TO: All Branches
For Information of Members of Command Executive Council

FROM: Bob Underhill, BC/Yukon Command President

SUBJECT: 2026 Branch Insurance Subsidy

Memo 15.26

Comrades,

As part of our commitment to support Branches in their operations, BC/Yukon Command is pleased to offer a subsidy on Branch insurance rates for the year 2026. This subsidy will be reflected upon renewal in March and is on a prorated basis. Individual rebates will be communicated to each Branch directly through their renewal paperwork.

Our insurance broker for the program, Axis Insurance, will be reaching out to all Branches over the coming month with information on the renewal process. For some Branches, this may involve updating information on file to ensure the insurance package being offered is comprehensive and complete.

We recognize the last few years have been a difficult insurance landscape. This is not unique to BC/Yukon Command and reflects the reality of an increase in losses through extreme weather, such as fire and floods, as well as employment practice and general liability claims. BC/Yukon Command is proud to continue to maintain its Branch-wide insurance program, ensuring all Branches can access insurance to meet their needs in the event of a loss.

Please do not hesitate to reach out to the Command office with any questions. If your Branch is interested on receiving information or training on how to minimize insurance risk, please contact the office for more details.

In comradeship,

Bob
