SUBJECT: Proposed Per Capita Increase at the Upcoming Convention

Memo 26.25

Dear Comrades,

As we prepare for the upcoming Convention, we wish to inform you that a proposal will be brought forward to increase BC/Yukon Command's portion of the per capita assessment.

Currently, the Command's share stands at \$17, unchanged since 2015. The proposed adjustments are as follows:

- An increase to \$19, effective January 1, 2026
- A further increase to \$21, effective January 1, 2027

This proposal was approved by the Provincial Executive Council (PEC) in Fall 2024 for presentation at the Convention.

These incremental increases are necessary to help address the inflationary pressure on Command's budget, and deficits caused by different programs, including those arising from the Provincial Convention and Track & Field program.

Further details will be shared during the Convention. Branches are encouraged to send delegates to participate in this important discussion.

Yours in Comradeship,

Glenn Hodge
