Hosting Provincial Playdowns

Branches considering submitting an offer to host a Provincial level Sports Playdown should be aware of the criteria used by the Provincial Sports Committee when selecting host locations. These include:

- Ability to accommodate the number of attendees - the Branch's facilities need to be adequate for the specific sport they are offering to host;
- Organization - the Branch must be organized and communicate effectively with the attendees and Command;
- Uniqueness - to keep interest in sports, it is important to see if there are any special activities that will take place during the playdowns so the attendees have options for their down time;
- Financial stability - we review the status of the branch to ensure it is a viable operation;
- Prior host locations are taken into account so that hosting opportunities are spread throughout command as evenly as possible;
- Feedback - if a Branch has hosted an event before, the success of that event is certainly taken into account. The reports from the Official Command Rep are reviewed so their input is also a factor in the decision-making;
- Accessibility - we review the location of the Branch to see how easy it is to get to. If a Branch is in a less-populated area but they are offering transportation from the nearest airport, city, etc. these are factors that will also need to be noted and considered by the committee. Your Branch must also be wheelchair accessible.

This information is provided to support Branches in preparing detailed and complete proposals, as the submission is the primary basis used by the Committee to evaluate applications.

The Provincial Playdowns shall be under the supervision and control of a Playdowns Chair Committee, appointed by the host Branch as well as the Provincial Command Representative attending the event. They shall be guided by the rules and regulations provided to the host branch by Command.

Please note that host Branches are not permitted to charge an admission or door fee to participants attending the playdowns. Branch revenues may be generated through kitchen and canteen operations, 50/50 draws, raffles, dinner/dance events, or other food and beverage sales.

For Provincial Golf specifically, Branches should be aware that hosting this event is at the Branch's expense. There would be no funding from BC/Yukon Command for this event.

If you have any further questions, please contact BC/Yukon Command by calling (604) 575-8840 or emailing sports@legionbcyukon.ca.

Respectfully,

Bob Brommeland
