Our Provincial Standing Committees play a vital role in our success and advancing the goals of the Command. We look forward to working alongside the Provincial Chairs and their committees to further the mission in supporting Veterans and their families, promoting remembrance, and strengthening our communities.

As we build on the successes of the past terms, our priorities include enhancing member engagement, expanding training opportunities for Branches, and fostering strong partnerships with local governments. We are also excited to mark the upcoming centenaries for both the organization and many of our Branches.

We look forward to another successful term!

In Comradeship,

Michelle
