Dear School Administrator,

Each year, the National Youth Remembrance Contests, organized by the Legion National Foundation with support from The Royal Canadian Legion and schools across the country, invite children and youth to honour Canada's Veterans and foster the tradition of Remembrance through visual art, writing, and video.

The contest includes several levels of competition. Poster and literary works compete first at the Legion Branch local level, with winning entries moving forward until they reach the provincial at the local Legion Branch level, with winners moving on to zone, provincial, and national levels. Video entries compete first at the provincial level, with finalists moving on to the national competition.

Contest categories include:

- Posters: Colour or Black & White
- Literary: Essay or Poem
- Video

Please help us share this opportunity with your students and teachers that may be interested. Poster and literary entry deadline varies by location. Please contact the Legion Branch nearest you for their specific deadlines dates for entries. Video contest entry deadline submissions must be entered online between September 1st and December 15, 2025.

British Columbia and Yukon students have done exceptionally well at the national level, and with your encouragement, we can continue to showcase the talent of young artists, writers, poets, and videographers in our region.

For more details, including judging guidelines and how to submit entries, are available at RemembranceContests.ca. If you have any other questions, please contact the BC/Yukon Command office at (604) 575-8840 or contests@legionbcyukon.ca.

Sincerely,
