

Volunteer with Us!

Volunteering with the Royal Canadian Legion means offering support to Veterans and giving back to your community— **all while fulfilling your community service credits!**

Your local Legion Branch needs the help of volunteers like you to help with events and activities.

You can help with fundraising events, like the annual Poppy Campaign; greet visitors at the door or assist in the kitchen; or use your creativity to design a flyer or social media post.

There are so many ways to give back, make a difference, and have fun along the way.

Find your local Legion Branch
and get started today.
