SUBJECT: Legion Commercial Banking Package: Survey

Memo 68.25

Comrades,

BC/Yukon Command is currently working with a few financial institutions to gather information that will support the development of a commercial banking package tailored for Legion Branches within British Columbia and Yukon. The goal is to secure a banking arrangement that offers enhanced services, reduced banking fees, and more competitive rates.

The financial institutions we are working with would like a better understanding of your Branch's banking needs and the services that are most important to you. To help us gather this information, we're asking Branches to complete a short survey linked below. Your feedback will help us negotiate a commercial banking package that can best support branches across the Command. Once finalized, this package will be available to all branches to utilize, should your branch wish to switch banks or compare options.

Among the Branches that participate in this survey, ten (10) will be chosen through a random draw to receive \$100 in General Funds for Branch Operations.
